HISTORICAL NOTES <p><i>A subway was constructed in 1928 to pass under the Main Northern Railway and the Merriwa line. Two single girder bridges were constructed to span Bridge Street and apart from minimal strengthening, have carried rail traffic for almost 70 years.</i></p>

STATEMENT OF SIGNIFICANCE <p><i>Historical and social significance is the development of the New England Highway, catering for the increased motorised traffic flow into and through Muswellbrook and the uninterrupted connection of the northern and southern sections of the town. The bridge is aesthetically significant as a local landmark with functional provision of separate vehicle and pedestrian access.</i></p>
