

Work As Executed - Drainage Plan for On-site Sewage Management Systems

An inspection can be undertaken once this form has been completed and submitted to Council. A minimum of 48 hours notice should be given to the Environmental Services Department to enable this inspection to be carried out.

All drainage work must be inspected before backfilling.

Rain or surface water **MUST NOT** be discharged into the sewer.

Plumbing and drainage work must only ever be carried out by a person who is currently licensed by the Department of Fair Trading and in accordance with:

- Plumbing and Drainage Act 2011
- Australian Standard 3500
- NSW Plumbing and Drainage Code of Practice
- Muswellbrook Shire Council requirements
