Conditions of consent

- Twenty four hours prior notice must be provided to owners/occupiers of adjoining land, including land that is separated by a lane, road or waterway. The notice must specify location, purpose and time frame of the fire.
- Extinguishing the fire should wind conditions result in the transport of smoke directly impacting neighbouring properties and residences.
- You must ensure that you have sufficient water supply and/or fire extinguishers to extinguish the fire.
- All works should be in accordance with the Rural Fire Service Guidelines for Pile Burning
- This permit must be retained on-site for inspection by any authorised person while the fire is in progress or used and maintained in accordance with the conditions of the permit.
- In the event of a total fire ban being declared this permit is suspended for the entire period of the ban. Any existing fire must be immediately extinguished.
- In the event of a No Burn Day being declared, this permit is suspended for the duration of the declaration.
- A fire may only be lit on land where it is consistent with any Bush Fire Risk Management Plan applying to the land.
- This permit is subject to variation, suspension or revocation by the appropriate authority, verbally or in writing
- Council is to be notified in writing of the completion of the works subject to this approval, including details of any complaints received during the period of the approval.
- In addition, this permit is granted subject to the following extra conditions:

Privacy notification

The personal information that Council is collecting from you is personal information for the purposes of the Privacy and Personal Information Protection Act 1998. The intended recipients of the personal information may be Officers within the Council, Data service providers engaged by the Council from time to time, any other agent of the Council. The supply of the information by you is/is not voluntary. If you cannot provide or do not wish to provide the information sought, the Council may/will be unable to process your application. Council is collecting this personal information from you in order to provide Council approved services. You may make application for access or amendment to information held by Council. You may also make a request that Council suppress your personal information from a public register. Council will consider any such application in accordance with the Act. Address enquires concerning this matter to the Public Officer.
