

What to place in your yellow-lidded bin

- Paper, newspapers and magazines
- Cardboard boxes, clean and flattened
- Glass bottles and jars – labels ok, lids separate.
- Clean foil – scrunch into ball
- Empty food tins, aluminium and aerosol cans
- Plastic containers with recycling symbol ♻️
- Egg, milk and juice cartons

TIPS

- > You must not put general rubbish in the yellow bin.
- > Keep your waste loose.
- > Flatten your waste to make more room in the bin if needed.
- > Rinse items.
- > No Plastic bags.
- > Batteries must not be put into any bin.

What to place in your green-lidded bin

- You must not put general rubbish in the green bin. Only loose garden organics as listed.
- Prunings
- Twigs
- Small branches - no thicker than 100mm round
- Grass clippings
- Leaves
- Cut flowers - all ribbon, plastic or wrapping removed

TIPS

- > Please don't use plastic bags. Keep it loose or tie your waste using twine.
- > Compost fruit and vegetables scraps in a compost bin or worm farm.
- > **NO PLASTIC BAGS.**
- > Batteries must not be put into any bin.

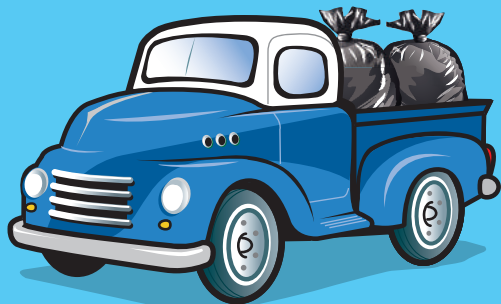

What to place in your red-lidded bin

- Food scraps
- Cigarette butts
- Plastic bags and non-recyclable plastic (or use Redcycle).
- Disposable nappies
- Mirrors and broken glass
- Crockery, ceramics and Pyrex
- Kitty litter

TIPS

- > Place your food scraps in a worm farm and/or compost bin and enjoy the benefits of the homemade results in your garden.
- > Avoid placing recyclables in your red bin.
- > Batteries must not be put into any bin.

Visiting the Waste & Recycling Facility

Six tips for being on-site

1. Wear covered shoes.
2. Allow time to unload your waste. At the latest arrive 15-20 minutes before closing time.
3. At least 24 hours notice is needed to book in any asbestos waste disposal.
4. Please clean up any mess before you leave ready for the next visitor.
5. Feel free to phone before you arrive if you have any questions.
6. Visit the Reuse Shop while on-site at Muswellbrook.
