

Community Grants Guidelines

Aim:

Provide financial assistance to local not-for-profit community groups and organisations that work towards enhancing the social, cultural and recreational well-being of the communities of Muswellbrook Shire.

There will be two funding rounds each year and the number and value of grants given in any funding period is subject to the total annual funding pool. Round 2 of the 2022 grant program will open on Wednesday, 14 September 2022 and close at 5 pm on Friday, 30 September 2022.

Criteria:

1. Grant applications will be considered from “not for profit” local educational and community groups in Muswellbrook Local Government Area. These guidelines also apply to Community Rural Halls funding applications, except where specified. Capital projects for sporting groups are not eligible as funding is available through Council’s Small and Large Capital Grants program.
2. Funding will be provided for local initiatives and projects that will address at least one of the goals outlined in Appendix 1 (page 19) of the Muswellbrook Shire Council *Community Strategic Plan 2017-2027* and available online at:
<https://www.muswellbrook.nsw.gov.au/index.php/home/council/docman-meetings?task=document.viewdoc&id=1398>.
3. Grants are available on a matched funding (dollar for dollar) basis (excluding Community Rural Halls applications). In-kind support contributions (donated goods, services or volunteer work to support the project) will be considered.
4. Grants are not available for organisations that owe money to Muswellbrook Shire Council or have not completed a previous grant acquittal.
5. Applicants must provide a current copy of their Certificate of Currency as evidence of public liability cover of at least \$20m.
6. Applications may not be submitted for work that has already taken place.
7. If grants are for structures, relevant approvals must be in evidence before funding will be made available.

Applications:

8. Organisations will need to calculate a dollar value for in-kind support - calculate volunteer general labour at \$20 per hour; calculate volunteer specialist labour (for example, engineer or architect) at \$45 per hour; calculate donated goods at the price you would pay for them if they were not donated.

9. There is no upper limit on the amount of funding requested, however in the past funding has been provided for projects ranging from \$350 to \$1,000.
10. Accurate cost estimates/quotes must be submitted as part of an application.

Assessment:

11. The grants will be assessed using criteria listed on page 1 of these guidelines.
12. A panel of three (3) Councillors will be formed in order to make assess the applications and make recommendations to Council for approval.
13. The number of grants given in any funding period is subject to the total annual funding pool allocated in each year's budget.
14. Council has the authority to approve grants of less than the amount being sought by applicants.

Notification and invoicing:

15. All applicants will be notified of the funding round outcome within 10 working days of determination and grants will be payable to successful applicants on the provision of an invoice.
16. For grants in excess of \$1,000, successful applications will be required to sign a funding agreement.

Project management:

17. Funded projects must be started within 3 months of receipt of the letter of offer/signing the funding agreement.
18. The grant may only be used for the purpose specified in the funding agreement. Any change must be approved in writing by Council before the work is undertaken.
19. Applicants will be required to acknowledge the funding provided by Council in a manner approved by Council staff in any communication about the project.
20. Council reserves the right to publicise approved projects in any media form it chooses.
21. The successful applicant will be responsible for project management and all project costs in excess of the approved grant, with all works undertaken being required to comply with Council policies, including but not limited to Sponsorship and Donations, Workplace Health and Safety, Volunteer and procurement policies. Works will be subject to inspection and verification.
22. Funded projects must be completed within 12 months of receipt of the letter of offer/signing the funding agreement.

Post project

23. Successful applicants must submit an acquittal report to Council's General Manager within 1 month of project completion. The report should provide evidence of how the grant funds were spent and include photos (before, during and after) that showcase the outcomes of the project.
