Liquid Trade Waste application

Complete this application and return by mail or in person as per above listed contact details.

Site details

 Details can be obtained from rates notice, property deeds or Council property maps.

Business trading name	<input type="text"/>		
Street no.	<input type="text"/>	Street name	<input type="text"/>
Township	<input type="text"/>		
Lot no.	<input type="text"/>	Section no.	<input type="text"/>
Deposit/Strata Plan no.		<input type="text"/>	

Property owner details

Name	<input type="text"/>		
Daytime phone	<input type="text"/>	Postal address	<input type="text"/>
A/H phone	<input type="text"/>		

Applicant's details

 if differs from above

Name	<input type="text"/>		
Daytime phone	<input type="text"/>	Postal address	<input type="text"/>
A/H phone	<input type="text"/>		

Occupant

 if differs from above

Name	<input type="text"/>		
Daytime phone	<input type="text"/>	A/H phone	<input type="text"/>

Normal business hours:

Weekdays	<input type="text"/>	to	<input type="text"/>	Saturday	<input type="text"/>	to	<input type="text"/>	Sunday	<input type="text"/>	to	<input type="text"/>
----------	----------------------	----	----------------------	----------	----------------------	----	----------------------	--------	----------------------	----	----------------------

System details

Description of flow:

Maximum rate of discharge to sewer	<input type="text"/>	kL/h	L/s	Maximum daily discharge to sewer	<input type="text"/>	kL
------------------------------------	----------------------	------	-----	----------------------------------	----------------------	----

Is there a water meter being installed? Yes No

Existing/proposed equipment (grease arrestor, basket arrestor, cooling pit etc):

Type	<input type="text"/>	size/flow rate	<input type="text"/>
------	----------------------	----------------	----------------------

Proposed cleaning schedule of pre-treatment equipment

System details continued

Name of contractors used

Location of sample point

Include TWO COPIES of the following plans with your application:

Plans showing details and location of all processes, tanks, pits and apparatus associated with the generation of commercial waste

Plans showing details, location, capacity/dimensions, material of construction and lining of the proposed pre-treatment facilities

Plans showing details of pipes and floor drainage conveying the effluent

Stormwater drainage plan

A. Type of waste

Septic tank waste: Septic tank effluent Septage

Pan content waste: Caravan Park/Mobile homes Portable Chemical toilet (building/event sites/bus/train)

Pump-out from boat/marinas: Liquid galley waste Toilet waste Dock cleaning waste

B. Hours of the day discharge will normally take place

Weekdays to Saturday to Sunday to

C. Odour inhibiting and other chemicals used - *Material Safety Data Sheets must be provided*

Name of chemical added

Dosage rate

D. Proposed method of waste volume measurement

E. Proposed method of discharge including plans and drawings - if appropriate

F. Provide details of a disposal point

Supply site plan and drawings if applicable

G. Open Areas

Stormwater is prohibited from being discharged into the council's sewerage system. The capacity for such flows is not provided in the sewerage system. Therefore, council does not generally accept the discharge of stormwater to the sewerage system.

Please attach stormwater drainage plan for the site

Does the proposed installation contain open areas that will drain to the sewerage system? Yes No

If Yes give details:

Details your plans to prevent stormwater ingress at the proposed dump point:

System details continued

H. Detail your odour control measures - if applicable

I. Detail your measures to prevent grease trap waste being mixed with septic tank waste

Grease trap waste is not permitted to be discharged to the sewerage system.

Please attach a statement that septic tank effluent will not be mixed with grease trap pump-out waste.

J. Security arrangements at the proposed disposal point if applicable

Detail what measures will be in place to prevent unauthorised discharge of waste to the sewerage system

K. For boat/marina facility

Bilge water is not permitted to be discharged to the sewerage system.

Number of vessels that may utilise the pump-out facility

Commercial

Private

Owner consent This application must be signed by all owners of the property

Applicants should be aware that approval of this application does not constitute a guarantee of any future approval of a variation to this approval. Future approval will be dependent on the available capacity of the sewerage system at that time, and any future approval must not be assumed. However, alerting Council to your future plans may assist in the planning of future sewage management and/or infrastructure additions and modifications.

Supporting documentation:

Please attach any relevant supporting documentation e.g.

Environmental Impact Statement

Consultant's report

DECC considerations/restrictions.

Signature of owner/s

Owner's authorisation to making the application is mandatory as per section 78, of the Local Government Act 1993
