

Bin Service Change Application

Use this form to request a change to a property's standard bin collection service. This includes requesting a green-lid FOGO service for properties where this is not provided as part of the standard service, such as Rural Domestic or Business properties.

Bin service charges include provision and collection of the bin as described. However, when upsizing, a one-off bin exchange fee applies.

This form can also be completed online: <https://www.muswellbrook.nsw.gov.au/bin-service-change-request/>

Charges listed are subject to change each financial year, and all charges will be levied in accordance with Council's approved Revenue Policy. If the household at the nominated property address has genuine additional need and is under financial hardship, a separate application may be lodged to waive fees under

Council's Hardship Policy. Only property owners or their authorised delegate (with copy of delegation attached) can request a change to services because it affects the charges levied against the property's rates assessment. Failure to provide all the required information will result in rejection of the application.
